

## 2021 Summer Internship – Supply Chain

---

***A career at Meijer is so much more than just a paycheck. Meijer was built on one family's dream with the goal of helping people and now more than 85 years later that's exactly what we've done and will always do. Today, Meijer is the 19th largest privately held company – with more than 70,000 team members across six Midwest states. As the pioneer of the "one-stop shopping" concept, Meijer values innovation and fresh ideas from each and every Team Member. Meijer also offers countless opportunities for professional career growth, personal enrichment and truly invests in your success. Whether you join one of our retail stores, distribution centers, or corporate offices, as a Meijer Team Member you become more than just an employee...you become a member of the family.***

Meijer is seeking candidates for supply chain internship opportunities! Join our program to get experience in your field while also learning more about the retail industry and the breadth of career opportunities that support the shopper experience. Your internship will include interaction with other interns, experts in your area of study, and Meijer senior leadership.

The projects that will be given to the Supply Chain interns will be focused in key areas of the supply chain that will give them a broad perspective of supply chain, distribution, manufacturing, logistics as well as involvement in engaging projects where they can make a difference. Past internship projects have included product flow data analysis, category velocity analysis, direct to store delivery model, and value stream process mapping. This internship should be a well-rounded experience that shows the span and opportunity within Meijer supply chain and provides an end-to-end Supply Chain experience. Interns will be placed in various facilities throughout our 6 state footprint.
