

# **KOHL'S** **Strategic Sourcing Intern**

Your friends are already jealous.

As a Strategic Sourcing intern, you will support the execution of the sourcing strategy by researching and analyzing information that impacts the supply chain such as strategy implementation, vendor onboarding, and communication.

## What you'll do

Work with the Sourcing team to drive global sourcing strategies for Kohl's Private & Exclusive brands

Influence Kohl's supply chain processes through onboarding and managing vendor partnerships and maintaining vendor scorecards

Analyze and report on sourcing processes to optimize value - quality, cost, speed and on-time deliveries

Establish and communicate processes for factory and vendor partners.

## Career path

Strategic Sourcing Intern  
Strategic Sourcing Analyst  
Associate Sourcing Manager  
Sourcing Manager  
Senior Sourcing Manager

## This is you

Undergraduate Junior

You have strong written and verbal communication skills and would love to build and maintain relationships with external vendor partners

You're a bit of a perfectionist- accuracy is important in your work

You work with a sense of urgency and adapt well to change - "no day is the same" sounds like something you would love

You work well in teams, but also enjoy to work and own processes independently

You love a challenge and are quick to problem solve

Multi-tasking is your thing, but you're also extremely organized

## Your major is probably something like

International Business
